Important content such as the exemption or limitation of liability clauses will remind you in bold, and you should read them emphatically. If you are under the age of 18, please carefully read and fully understand this agreement accompanied by your guardian and use Dubbing AI Voice Changer software and related services after obtaining the consent of your guardian.

Date of update of this agreement: 2023-12-21

1. Accept the agreement

This service agreement (hereinafter referred to as "this agreement") is between you (hereinafter referred to as "user") and HALO INTERACTIVE PTE. LTD.) to provide audio production and download services.

1.1 You confirm: Once you register as a user of Dubbing AI voice changer or use Dubbing AI voice change software or services, it means that you have fully understood and agreed to accept this agreement. If you are under the age of 18, please carefully read and fully understand this agreement accompanied by your guardian and use Dubbing AI Voice Changer software and related services after obtaining the consent of your guardian.

1.2 "this agreement" at its sole discretion. If there is any change in the "Agreement", HALO INTERACTIVE PTE. LTD. will publish an announcement on the homepage of the application to notify users. If the user does not agree to the relevant changes, he must stop using the software and services; if the user continues to use the software and services, it means that he has accepted the revised agreement unconditionally. After the revised agreement is announced on Baohua Tendering website, it will come into effect automatically.

1.3 This Agreement (including the revised version), Dubbing AI Voice Changer Privacy Policy, and agreements or other documents (if any) related to third-party software or technologies used by Dubbing AI Voice Changer Software, together constitute the Dubbing AI Voice Change Software The complete agreement of the website and service is legally binding on users and HALO INTERACTIVE PTE. LTD.

2. Service content and software form

2.1 Service Content

Dubbing AI Voice Changer is a platform that provides real-time voice changing services, voice customization services, recharge payment and transactions to most users. Unless otherwise specified, any new functions of current services, including new products and

newly added services, will be enhanced or strengthened. This agreement applies unconditionally.

2.2 Software form

- (1) Users will use the software in the form of a client through a computer, and the details are subject to the information provided by HALO INTERACTIVE PTE. LTD. At the same time, HALO INTERACTIVE PTE. LTD. will continue to enrich the terminals and forms of the software. When using the software, the user should choose the software version that matches the user's terminal, system, etc., otherwise, the user may not be able to use the software normally.
- (2) In order to improve user experience, improve service content, ensure the security and functional consistency of this software and services, HALO INTERACTIVE PTE. LTD. will continue to strive to develop new services, and has the right to update this software (these updates may be replaced by software), modification, function enhancement, version upgrade, etc.), or change or limit some functions of the software, or terminate or suspend the software and related services. After the new version of this software is released, HALO INTERACTIVE PTE. LTD. does not guarantee that the old version of the software will continue to be available and provide corresponding customer service. Please check and download the latest version at any time. The user fully understands and agrees that HALO INTERACTIVE PTE. LTD. owns the above-mentioned rights and can exercise such rights without special notice to the user.
- (3) Users fully understand and agree that Dubbing AI Voice Changer only provides real-time voice conversion, voice customization, download, recharge payment and transaction platform services to the majority of users, in addition to related network services related equipment (such as personal computers, mobile phones, and other devices related to accessing the Internet or mobile network) and the required expenses (such as telephone charges and Internet access charges for accessing the Internet, mobile phone charges for using the mobile network) shall be borne by the user.

3. User usage rules

3.1 Account Registration and Use

- (1) Register Account. The user confirms that you should be a natural person, legal person, or other organization with full capacity for civil conduct when you go through the registration process or use the services provided by HALO INTERACTIVE PTE. LTD. in other ways permitted by HALO INTERACTIVE PTE. LTD. If you do not have the appropriate capacity for civil conduct, please register with the consent of your guardian and be represented by your guardian, otherwise you and your guardian shall bear all the consequences arising therefrom in accordance with the law. After your registration is successful, this software will give you a user account and corresponding password. The ownership of this user account belongs to HALO INTERACTIVE PTE. LTD. You can only obtain the right to use this user account. You are not allowed to gift, borrow, rent, transfer or sell account or authorize others to use the account in other ways. You should keep the user account and password properly, and all actions through the user account are regarded as your own actions, and you should be legally responsible for all activities and events under the user account and all consequences arising therefrom responsibility.

- (2) The user undertakes that all information and data provided during registration and during the use of services provided by HALO INTERACTIVE PTE. LTD. (collectively referred to as "information") are true and accurate, and will maintain and update information in a timely manner, especially the contact numbers and contact addresses provided, mobile phone number and other contact information so that HALO INTERACTIVE PTE. LTD. can effectively communicate with users; if the user's information needs to be updated, the user should follow the requirements or prompts of this software to update. If the information provided by the user is untrue, inaccurate, not updated, or the user cannot be contacted through the information, the user shall bear all the consequences caused by it, including any loss or loss caused by the user in the process of using the services provided by HALO INTERACTIVE PTE. LTD. Any additional costs shall also be solely borne by the user.
- (3) If the user finds that the account has been illegally used by others, he should immediately notify HALO INTERACTIVE PTE. LTD. It is not ruled out on the Internet that the user account and password are illegally used by others due to hacking or user negligence. The user fully understands and agrees that such situations have nothing to do with HALO INTERACTIVE PTE. LTD., and HALO INTERACTIVE PTE. LTD. does not assume any responsibility for the occurrence of such situations. For any actions that occur under the user account due to the user's failure to maintain information security and confidentiality, the user shall bear full responsibility; if the HALO INTERACTIVE PTE. LTD. or any other user or visitor of the software suffers losses, the user shall be responsible for such loss's liability.
- (4) Users can cancel the previously registered account at any time. After the user cancels the account, HALO INTERACTIVE PTE. LTD. will stop providing products and services that rely on account login, and according to the user's needs, unless otherwise stipulated by laws and regulations, HALO INTERACTIVE PTE. LTD. will delete or anonymize the user's personal information. Therefore, the user understands and agrees that after the user cancels the account, HALO INTERACTIVE PTE. LTD. will not be able to recover any relevant information of the account.

In accordance with relevant laws and regulations, HALO INTERACTIVE PTE. LTD. hereby solemnly reminds users that any information, data, text, software, music, audio, photos, graphics, and videos transmitted through our services by uploading, posting, emailing or any other means, information or other materials (hereinafter referred to as "content"), regardless of whether they are transmitted publicly or privately, are the responsibility of the content provider and uploader. HALO INTERACTIVE PTE. LTD. has no control over the content transmitted through our services and therefore does not guarantee the accuracy, completeness, or quality of the content. Users have foreseen that when using our services, they may be exposed to unpleasant, inappropriate, or disgusting content. In no event shall HALO INTERACTIVE PTE. LTD. be responsible for any content, including but not limited to any errors or omissions in any content, as well as any loss or damage arising from posting, emailing, or otherwise transmitting any content through our services. However, users can submit reports to HALO INTERACTIVE PTE. LTD. to report violating users, and HALO INTERACTIVE PTE. LTD. has the right to stop transmitting any of the content and take corresponding actions, including but not limited to suspending all or part of the violating users' use of our services, keeping relevant records, and reporting to relevant parties Agency report.
